Query (Q)
the visitor's question:
"I am the word eats —
who here matters to me?"
Key (K)
the catalog cards:
each book announces
"this is what I am about"
The librarian
(attention)
compares question ↔ card
(dot product → score)
every word plays all three
roles:
asks (Q) · advertises (K) ·
delivers (V)
softmax
score → share %
how much of each
book to borrow
Value (V)
the book contents:
what the visitor
takes home
The visitor leaves
with a mix
55% cat + 35% fish + …
(% × contents, added up)
